

BEZPEČNOSTNÍ DOHLED NAD DUCHOVNÍMI V OBVODU OSTRAVSKÉ EXPOZITURY ZNV 1945–1948

Security Monitoring of Activities of Clergy in the Territory of Ostrava Branch of Provincial National Committee 1945–1948

Lubomír Hlavinka – Ondřej Kolář

The study deals with security monitoring of activities of clergy in the territory of Ostrava Branch of Provincial National Committee during the period of so-called Third Czechoslovak Republic in 1945–1948. The research focuses mainly on approach of state authorities towards clergymen of German and Polish origin in the context of inter-ethnic relations and post-war demographic and social changes in the region. The paper is based on preserved agenda of Czechoslovak administrative and security apparatus.
